Oakstown University students are on winter break and the main character Bobby Freeman goes to the Oakstown Coliseum to watch a bull riding competition with his friends. While in the coliseum, Bobby has a premonition of one of the bulls named Tsunami going crazy and killing everyone that was there. After that, Bobby managed to save everyone who was supposed to die in his premonition. Afterwards, the bull escaped the walls of the Oakstown Coliseum and went off into the wild. Days after Bobby saved those people he saw dying, those people start to die off one by one in bizarre deaths. These deaths include impalements, decaps, and even one death in a city outside of Oakstown. In this, Bobby and his friends are playing a deadly game with someone who knows how to kill better than anyone else, Death himself. Can Bobby and his friends finally end Death's shenanigans once and for all, you will have to figure it out yourself. Death has returned for another round.
