MUSE (HARDBACK)

Vintage Publishing, United Kingdom, 2015. Hardback. Book Condition: New. 204 x 135 mm. Language: English . Brand New Book. Paul Dukach is heir apparent at Purcell Stern, one of the last independent publishing houses in New York, whose shabby offices belie the treasures of its list. Thanks to his boss, the flamboyant Homer Stern, Paul learns the vagaries of the book world: how to work an agent over lunch and swim with the literary sharks at Frankfurt book fair; how to marry flattery with criticism when combing over the manuscripts of brilliant, volatile authors. But though things can be shaky in the age of conglomerates and ebooks, Paul remains obsessed by one dazzling writer: poet Ida Perkins, whose outsize life and audacious verse have shaped America's contemporary literary landscape, and whose longtime publisher - also her cousin and erstwhile lover - happens to be Homer's biggest rival. When Paul finally meets Ida, at her secluded Venetian palazzo, she entrusts him with her greatest secret - one that will change all of their lives forever. Enriched by juicy details only a quintessential insider could know, written with both satiric sharpness and sensitivity, *Muse* is a love letter to the people who write, sell - and, above all, read - the books that shape our lives.
