Brand New Book ***** Print on Demand *****.On September 30, we issued our final report on cost sharing arrangements for the airfield on Midway Atoll. FAA is responsible for ensuring the continued operation of Midway Island s airfield, which is owned by the Department of the Interior. We found that the agencies need to work together to put a support contract in place that both agencies can reasonably afford. They also need to agree to a cost sharing agreement for activities located on Midway that is in accordance with good cost accounting principles and to agree to a method for collecting reimbursements from other agencies.
