Penguin LCC US, 2012. Paperback. Book Condition: New. 174 x 106 mm. Language: English . Brand New Book. T.C. Boyle s most powerful and fully realized work yet-quot;terrifically exciting and unapologetically relevantquot; (The Washington Post).Principally set on the wild Channel Islands off the coast of California, T.C. Boyle s new novel is a gripping adventure with a timely theme. Alma Boyd Takesue is a National Park Service biologist spearheading the efforts to save the islands native creatures from invasive species. Her antagonist, Dave LaJoy, is a local businessman who is fiercely opposed to the killing of any animals whatsoever and will go to any lengths to subvert her plans. As their confrontation plays out in a series of scenes escalating in violence, drama, and danger, When the Killing s Done relates a richly humane tale about the dominion we attempt to exert, for better or worse, over the natural world.
