Theosophical University Press. Paperback. Book Condition: new. BRAND NEW, The Gods Await, Katherine Tingley, Thought-provoking and inspiring, "The Gods Await" applies theosophic principles to human life and thought, emphasising remedies for man's inhumanity to man. It discusses freedom of ideas, world peace, and reformation of the criminal justice system setting forth the problems with their root-causes and possible solutions. Speaking to the intuition as well as the intellect, the author encourages us to recognise our duality and look to the spiritual centre within, then act fearlessly for there is always another chance, no matter what our apparent failures. Here is a plea for social action and individual renewal based on self-knowledge, compassion, and the innate divinity of mankind.
