This series of children s books has colorful, easy-reading material for any level of reader. These true stories center around the author s experiences growing up on a ranch and raising and training her horses. Their goal is to allow the reader to experience ranch life in western America. These non-fiction books are enjoyed by readers from two to eighty-two. Along with being high interest/low vocab, they are ESL books. The first three books, Chick-The Beginning , Chick-The Saddle Horse , and Chick-The Mom center around the matriarch in this line of horses. The rest of the titles in this series (13 so far) go into Chick s offspring and friends. The book Sonny-The Spectacular centers around Chick s fifth baby, Sonny. Sonny is a beautiful, wise horse that has many interesting stories to tell. The first chapter of the book talks about women involved in ranching. These books have had many very positive reviews from the top reviewers (students, teachers, librarians, adults, and elderly). The author-written AR tests are free. Renaissance has tested the books for their reading level, 3.5 - 4.2. Sonny-The Spectacular was tested at 3.6. Young children love having these stories read to them. Junior High and High School students love them, too. These books have twelve to thirty beautiful, western line drawings. All of the books in the series are very popular with both boys and girls and men and women. For more info about author visits and books, call: (or .
