Tantor Media Inc. No binding. Book Condition: New. Audio CD. Dimensions: 6.8in. x 6.3in. x 1.1in. Most dating books are written for women what a mistake that is. Women know how to date. . . it's men who need the help! At last: a blithe, bold, and bawdy guide to building a better boyfriend. At some point, every guy plays, geek, mama's boy, regular Joe meets a woman who makes him want to be a boyfriend. A good boyfriend. Problem is, unless he's had some first-rate training (by a previous girlfriend, a sister, a mom), he probably doesn't even know what that means. Felicity Huffman and Patricia Wolff come to the rescue with a rollicking and whip-smart handbook to navigating the minefield of male-female relationships. Directed at men (though, of course, its women will buy it, then leave it at their boyfriend's place accidentally on purpose), **A Practical Handbook for the Boyfriend** lays out the manly steps involved in becoming a good boyfriend while still maintaining guy-dignity. It covers issues like: -Who decides when you become a boyfriend (Answer: She does) -How to look like you're listening, even when you're not (If you're busted, just say You're so pretty, I'm distracted) -Ten things never to say on the first date (4: I just did that to freak you out) -Finding the middle ground between too cool (think third grade) and too eager (think surprise visits) -Why becoming a good boyfriend is a lot like training for the A-Team. Filled with humor, ribaldry, common sense, and assorted outdoor skills, **A Practical Handbook for the Boyfriend** is the next dating guide to dominate the bestseller lists. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Audio CD.
