IMMORTALITY AND MODERN THOUGHT (CLASSIC REPRINT)

[DOWNLOAD](#)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Immortality and Modern Thought The doctrine of Immortality, like the poor, we have ever with us. It is a subject of perennial preciousness. Countless multitudes are ever on the alert for the latest book and the last word on the one subject that never loses its vital interest. From the first funeral service, held as it was over the slain body of Abel, to the latest mound erected over the most recently departed loved one, the human soul has pulsed with immortal inquiries. When Job stood down in the shadows and propounded his momentous question, If a man die, shall he live again? - he projected a problem that has presented itself anew to every succeeding generation. Truth is eternal; the forms and phraseology of its expression are temporary and must ever change with increasing information. The same truth may appear in a different light when seen from a new viewpoint and from an advanced position of attainment in scholarship. A change in viewpoint does not mean the surrender of the essential truth, and a description of the sensation of the larger vision should not be classified as heresy. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
