Raphel Marketing., United States, 2011. Paperback. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book. Although teachers have been using the Reading Workshop approach successfully for years, until now there hasn t been a step-by-step guide for implementing the strategies in the upper elementary classroom. Laura Candler s Power Reading Workshop offers an easy classroom-tested method for using Reading Workshop in your own classroom. You ll learn how to motivate readers by providing time for independent reading and reading conferences. As a result, your students will learn to love reading, and you ll improve reading test scores at the same time! In addition, this book includes a dozen Power Tools that allow you to differentiate your reading instruction for all students. The strategies have been thoroughly tested in grades 2 through 6 and will work well at those levels with little modification. Middle School and High School teachers may also be able to use the strategies, but they may need to modify them slightly for their students or their teaching situation. Highlights of Laura Candler s Power Reading Workshop: A Step-by-Step Guide Step-by-step directions for the first 10 days of Reading Workshop How to upgrade your basic Reading Workshop to a Power Reading Workshop How to differentiate reading instruction using the Reading Power Tools A list of suggested books for reading mini lessons Hints for organizing reading instruction Tips for reading aloud to your students Information about how to conduct reading conferences Ready-to-print activity pages to make each step easy-to-implement Customizable online forms Special activities like Book Buzz and Magazine Power Hour How to help students set appropriate reading goals Once again, Laura Candler has created an easy-to-use guide that allows teachers to quickly start and properly implement a Power Reading Workshop. Her lessons provide students...
