*Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

The device of the corporate seal of the church on Washington Square is a stand, representing the golden candlestick of the Jewish Tabernacle. Instead, however, of the seven branches, it supports a bowl on the rim of which are seven lamps. On each side of the stand is a tree whose branches interlock, and overshadow the bowl. Underneath are the words selected as my text, By my spirit, saith the Lord. No words can better describe this seal and show its import, than those of the inspired record. I looked, - says the prophet, - and, behold, a candlestick all of gold, with a bowl upon the top of it, and his seven lamps thereon, and seven pipes to the seven lamps, which are upon the top thereof: and two olive trees by it, one upon the right side of the bowl, and the other upon the left side thereof. To the question, what are these? the answer is, - this is the word of the Lord saying, Not by might, nor by power, but by my spirit, saith the Lord. The primary and immediate design of the vision, was to induce the ancient church to rebuild Jerusalem and the temple, which had been destroyed by the Babylonians.
