AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 216 x 206 mm. Language: English . Brand New Book ***** Print on Demand *****.Dear Students, What is normal in life, is having problems and solving them. Several of the normal problems we all have are (1) finding good friends and sharing them with others, (2) wanting to be loved and appreciated but also needing to learn how to listen to others and give them the attention they deserve, (3) being honest and (4) saying goodbye to those we love when they leave us. Forster had to learn these lessons for himself and, consequently, he has become a wonderful teacher of these lessons for life. If we read this story carefully, over and over again, all of us can learn what Forster learned without suffering as much as he did. Forster is a strong and determined friend but has a redeeming soft and caring side that will win your hearts. Enjoy, Dr. Orlando.
