While the St. John Series has been contemporary romance, Saving Andi adds romantic suspense. Watch for more novels identified as St. John Sibling Series: FRIENDS as well as the rest of the original series. Cole McCall is shot, dives off a bluff, and hits his head. Now he has amnesia and can't remember who wants him dead or why. He doesn't even know which side of the law he operates on. Fortunately for him, Andi Johanson finds him at the camp he's broken into. Given her family history of being on the wrong side of the law, her distrust of lawmen, and the guilt she carries over her younger brother's death, she takes Cole home rather than to a hospital and nurses him back to health. But their attraction is jeopardized by their pasts, her secrets, and the fact whoever wants Cole dead has tracked him to Andi's cabin.
