Funny. and many of you know this. given a bit of slack, I ll wander all over the place when telling a story. After sharing essays and interviews in Time Just Drifts Away, Bob is back. This time, his unique observation skills and storytelling abilities are on the road, as the Backpack travels in a three volume set to Florida, California and Las Vegas. You are invited to join their group. become a part of their travelling gang. share their adventures and experiences. and, hopefully, recognize the different people as they appear in each travel journal and on different trips. Here in Volume Two the destination is California, where Bob and Terry join up with family and friends on adventures from South to North. Joshua Tree to Yosemite....
