Elsevier Health Sciences, United Kingdom, 2013. Paperback. Book Condition: New. 6th Revised edition. 274 x 216 mm. Language: English . Brand New Book. 2014 BMA Medical Book Awards 1st Prize Award Winner in Student Textbook category and Highly Commended in Pathology category! Underwood s Pathology (formerly General and Systematic Pathology) is an internationally popular and highly acclaimed textbook, written and designed principally for students of medicine and the related health sciences. Pathology is presented in the context of modern cellular and molecular biology and contemporary clinical practice. After a clear introduction to basic principles, it provides comprehensive coverage of disease mechanisms and the pathology of specific disorders ordered by body system. An unrivalled collection of clinical photographs, histopathology images and graphics complement the clear, concise text. For this sixth edition, the entire book has been revised and updated. Well liked features to assist problem-based learning - including body diagrams annotated with signs, symptoms and diseases and a separate index of common clinical problems - have been retained and refreshed. Additional value is provided by the complementary online version - hosted on - which includes the complete, fully searchable text, downloadable images, clinical case studies and a revised, interactive self-assessment section to check your understanding and aid exam preparation. This all combines to make Underwood s an unsurpassed learning package in this fascinating and most central medical specialty.
