Covert Interview is the second book in the Covert Series, following Covert Assignment, a New Adult, coming of age series with romance and suspense. After growing up feeling like the unwanted leftovers of her parents divorce, Elle Paquet is finally an independent adult when she graduates from college to become an Information Scientist (the 21st century term for Librarian). What's her first adult decision? She nixes her ten-year plan of going to grad school and marrying her college sweetheart to go work for the CIA and see how things turn out with hot agent Preston Raddick. While Elle's formal education may be over, life lessons are only just beginning. Preston teaches her a tough lesson about what a fling is and what it isn't. Meanwhile, the CIA wants to know if she's merely interested or truly committed to the agency. And are her skills up for the job? When Elle is given an assignment that tests her loyalty to her family and endangers herself and her loved ones, she learns that affiliation with the CIA means excitement can...
