Hollym International Corp., U.S., United States, 2014. Paperback. Book Condition: New. 225 x 150 mm. Language: English . Brand New Book. Balancing Eastern Tradition against Western Civilization A Collision between the Two Worlds Situated between China and the United States in terms of economy and politics, Korea is now experimenting with becoming the most open country among those between the East and the West. Korea is now attempting to reinterpret Western civilization on the basis of Korea's own traditions and to contemplate today's challenges to seek a new direction for development in collaboration with other countries. Therefore, it is more meaningful to analyze how the East and the West understand each other, as well as how they make themselves understood, through looking back on the century-long road which Korea has walked. In Part I. West Comes East of this volume, among others, Christianity, Western philosophy, and democracy are discussed as the most influential factors. When first approached by the West in the modern period, East Asians were not ready to accept the existence of another advanced civilization, which would challenge their pride as creators of the most sophisticated culture. Nevertheless, the inflow of Western culture into the East caused changes...
