Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

iUniverse, United States, 2009. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.I feel like a lot of people want to know what my big secret is. The how do you do it? kind of thing. True to the brutally honest and open nature of this book, I have no problem answering this without you even opening it. It s really a combination of things, and although the content of the book is not in any order, this is one list that I actually can put in order. But the spot for the top is tied. It is both having time to myself (for myself) and having faith. I think probably the biggest secret here is that I take a lot of time for myself because I need it. It s really the only time I can write. And I basically keep myself grounded. Having faith in a lot of people (but most importantly myself) is what really gets me through everything. I don t believe in perfection, which helps me realize that I am only human and it s ok for me to make mistakes. I basically try to play by my own rules that I make up as I go along. As for everyone else, what can any of us do besides try to be understanding? I kind of think you have to feel weak before you can get strong. And I might cry, but if in the end all I can do is laugh (I d be lost without you, Jeff and hopefully they ll understand that twin means soulmate in a whole new way), then at least I have loved, cried and laughed, and that s pretty good. And then there are all kinds of other...
