BLACKACRE: POEMS

Graywolf Press,U.S., United States, 2016. Paperback. Book Condition: New. 229 x 178 mm. Language: English . Brand New Book. The brilliant new collection by Monica Youn following Ignatz, a finalist for the National Book Award the trees all planted in the same month after the same fire each thick around as a man s wrist meticulously spaced grids cutting the sunshine into panels into planks and crossbeams of light an incandescent architecture that is the home that was promised you --from Whiteacre First coined in 1628, the term blackacre is a legal fiction, a hypothetical estate. It is also a password among lawyers marking one s initiation into a centuries-old tradition of legal indoctrination. Monica Youn s fascinating, multifaceted new collection, Blackacre, uses the term to suggest landscape, legacy, what is allotted to each of us--a tract of land, a work of art, a heritage, a body, a destiny. What are the limits of the imagination s ability to transform what is given? On any particular acre, can we plant a garden? Found a city? Unearth a treasure? Build a home? Youn brings her lawyerly intelligence and lyric gifts to bear on questions of fertility and barrenness as she attempts to understand her own desire--her own struggle--to conceive a child. Where the shape-making mind encounters unalterable fact, Blackacre explores new territories of art, meaning, and feeling.
